*We hurt today, we're at a loss
How will we move on?
He held us together when Mother died
He taught us all to be strong.*

*There are no words that can define
the life we celebrate today.
He was the finest man anyone could know,
He was a Legend in every way!*

*We've been blessed to have him in our lives
He's taught us endless little things
He was diligent, responsible, always fair and wise,
"Be at peace, he's with the Lord," is what his Angel sings.*
