2009 ~ 2017

Never

*I'll never get to see your precious face;
or whisper words to make you feel safe
I'll never get to hold you tight
when you can't sleep at night
I'll never get to sing to you a sweet lullaby,
to calm you down when you cry
I'll never get to fall asleep with you in my arms,
all bundled in a blanket to keep you warm
I'll never get to hear you laugh and giggle
or to see you little toes wiggle
There are many things I will never get to do,
but the hardest is not being with you.*
