Mona Jean Huck

Always There

When you remember me
Please do not weep
My body may not be there
It has chosen to sleep
I'm not that far away
My soul lives on
Looking down, watching over
You and everyone
And when you feel sad
And life seems so blue
Just remember
That my spirit has its arms around you
And on those special days,
Times that you wish I could see,
That cool breeze flowing past you...
Well, that will be me
So don't be sad
Have no fear
God has taken me under his wing
But I'll always be near
I still watch you
Every minute, every day
My love and soul are with you
And that's where they will stay.
