Granny

A status woman of only four eleven,
You fill my days with rainbow skies.
Fairy tales and sweet dreamy nights,
Gingerbread kisses to wipe my tears.
A hot cup of tea to ease my fears;
I thank you for your tender care,
Your big bear hugs, and just being there.

A Mother's Farewell To Her Children

*When I must leave you, for a little while,
Please do not grieve, and shed wild tears
And hug your sorrow to you through the years,
But start out bravely with a gallant smile;
And for my sake and in my name
Live on and do all things the same,
Feed not your loneliness on empty days,
But fill each waking hour in useful ways,
Reach out your hand in comfort and cheer
And I in turn will comfort you and hold you near;
And never, never be afraid to die,
For I am waiting for you in the sky!*
