

Ida Emelia Tryon

Ida Emelia Tryon was born February 6, 1943, to Leach and Edna Bryant. She was the 2nd of 9 children. She was raised on the Bryant ranch and attended a one room schoolhouse in Pleasant Valley.

Ida married Frank Goff in 1958. In their union, 7 children were born.

Ida married Charlie Tryon on July 17, 1979. Her and her children moved to the Tryon ranch at Deers Ears. She enjoyed being a wife, mother, and the ranch life. On August 31, 1983, Ida and Chuck were blessed with a son, Glen Leach Tryon. Charlie passed away in 1988. Ida lived the rest of her life caring for poultry, horses, bum lambs, and cows.

Ida enjoyed visiting with everyone. She was a very giving woman. She would give her last dollar to someone if she thought they needed it more. Her needs were very small. She loved getting together, but always wanted to get back to her animals at the ranch. The cows became very important. She would call them her children. Many cows wore tags with family members' names.

Even age would not slow her down. She still chopped ice for the cows and burned wood. When anyone would tell her to slow down, she would say, "If I die doing things on the ranch, I will die happy."

Happy Trails, Mom.
We Love You.

No Tears For Me

*When I come to the end of the road
And there is no more work for me,
I want no tears in a gloom filled room
Only smiles can I see.*

*We busted broncs, we had some fun.
We worked hard in the hot summer sun.
We had some good times*

*Many memories we share,
Don't cry for me
For a memory is always there.*

*I am a thousand winds that blow.
I am the diamond glints in the snow.
I am the sunlight on the ripened grain.
I am the gentle springtime rain.*

*Reach out your hand in the comfort and cheer
And I in turn will comfort and hold you near
And never, ever be afraid to die,
For I am waiting for you in the sky.*
