

"A Truckers Prayer"

Oh Lord be with me today as I head out onto the open road for I know not the dangers that this day may hold, with a map by my side

Oh Lord let it be you that is my daily guide, and as I head out to where the yellow line never ends it sure is good to know that you will be riding with me once again and when I have taken my last load there will be one final trip that I must take. One that will be on a road that is paved with gold and there I will rest for there will be no more trips to take once I have entered Heavens Gates
